Day 1 (03/01/2022)

This year's induction program for the First-Year Engineering students was organized by Dr. D. Y. Patil College of Engineering and Innovation, Varale from 3rd Jan 2022 to 7th Jan 2022. The students along with their parents reported to the college on 3rd January 2022. All the students were onboarded comfortably. The Department had arranged all the required facilities for the students staying near and far. Hostel arrangements were provided to the students the same day, and all were set for day two of their college life which indeed did begin on a high note.

Day 2 (04/01/2022)

The induction program was inaugurated by Hon. Principal, Dr. Suresh Mali which paved the way off to a grand start to the induction program. As light symbolizes knowledge and darkness – ignorance, our leaders thus started the induction event with the lighting of the lamp which embarked a new start to the beautiful college life of our dear students. The lighting of the lamp was followed by the Institutional Presentation by our leader Dr. Suresh Mali (Principal of DYPCOEI).

After that, a training and placement presentation was conducted by Dr. A. P. Adsul (TPO, DYPCOEI, Head of the AI-DS Department) due to which students were able to clearly understand the bright future which Dr. D. Y. Patil College of Engineering and Innovation crafts for them.

Coordinator) gave the students practical insight into the course. The students were then given a break of an hour.

Post the break session it was then time for the Departmental Presentations which was led by Prof. D.D. Mondal (Head of the Department).

Post that the University Curriculum and Examination Pattern were explained by Prof. Ravindra Daspute (Head, Department of Mechanical Engineering).

Now it was time for some ice breakers, fun events were carried out by Prof. Akshay Bagal and team, which energized the students and attracted them. It was then time to call it off for the day.
