A Report On

“Parent Teacher Meeting 2022” (23rd January 2023, Monday)

- Date: 23/01/2023, Time: 11 AM onwards
- Total number of parents who attended meeting: 56

Objective of the event:

Dr. D. Y. Patil College of Engineering & Innovation -PTM committee organized Parents Teachers Meeting for First Year Engineering for Semester 1 on 23/01/2023. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. The parents were intimated about the meeting well in advance through Class teachers and Teacher Guardians.

Activities during the event:

To make parents feel a 'sense of ownership' and address them equally as partners in the betterment of their child's learning outcomes, Dr. D. Y. Patil College of Engineering & Innovation conducts regular Parent Teacher Meetings every semester to discuss about the student's performance and progress.

During 11 am to 11:30 am, Prof Dipannita Mondal Madam, Head of First Year Engineering introduced parents with the Vision and Mission of the institute and the departments along with anti-ragging rules, attendance criteria (75% Mandatory), focus on quality education, library facilities and general criteria of the institute. She also highlighted the Institute's best practice for effective teaching learning process and how it helps placement and higher studies.

During 11:30 am to 12:30 am, parents interacted one to one with the faculties. The professors provided specific guidelines and suggestions for each student during the

meeting with the parents. The guidelines were primarily focused on students' performance in classroom and exams. The parents were informed about the students'

performance during the Unit Test and preparation for upcoming End-Semester examination. Discussion was focused on student's specific strengths and weaknesses in individual subjects and student discipline in classrooms. Apart from the usual discussion on ward's progress, attendance, improvisation and

challenges, Counsellors interacted with parents to make them aware of the ward's current learning process. Parents' suggestions on the interests and learning of their awards were noted.

Outcomes of the event:

Total 56 parents participated in the 1st PTM of Semester 2021-22. Parents became aware of the institute's rules and regulations, methodologies of teaching & learning for the overall welfare of students. Parents were encouraged to appreciate student's participation in all academic activities. Parents appreciated the efforts and the individual attention given to every child.

Feedback from Parents:

Thank you so much for organizing a parent's teacher meeting. Through this Parent teacher meeting we came to know about our child's progress and also know about the weak area in which the child needs to improve. Through the attendance report, we also came to know about the regularity of our ward in lectures.

-Mr. Vijay Gambhir Patil

Dr. D. Y. Patil College of Engineering & Innovation is the best place to let our children learn and grow. She enjoyed learn new things each and every day. She participated in a variety of activities and event during Induction program. The way faculty member has helped our daughter in developing her individuality, while at the same time emphasizing on self-discipline and respect towards others, has truly been a best experience.

-Mr. Balkrishnan Shelke

The PTM held was a needed program as it provided me insight into how my son is doing. Overall talking to the teachers was a satisfactory experience. Teachers provided all necessary information in a very detailed and understanding manner.

- Mr. Madhukar Rathod

This initiative of parent teacher meeting is highly appreciable. This kind of meetings gives a chance to make parents aware about academic progress of their child. For me it was a very informative session and I am looking forward to all future meetings.

- Mr Gajanan M Shinde

Feedback from Faculties:

Parents Teacher Meeting is an essential aspect in the modern day teaching methodology. Parents are important stakeholders of education policy. PTM held by Dr. D. Y. Patil College of Engineering & Innovation will enhance the quality of overall growth of students and will develop a strong and healthy bond between teachers and their students furthermore it increases the faith of parents in the Institute.
