A Report On

"2nd Parent Teacher Meeting 2023" (10th June 2023, Saturday)

- Date: 10/06/2023, Time: 10:30 AM onwards
- Total number of parents who attended meeting: 60

Objective of the event:

Dr. D. Y. Patil College of Engineering & Innovation PTM committee organized Parents Teachers Meeting for First Year Engineering for Semester 2 on 10/06/2023. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. The parents were intimated about the meeting well in advance through Class teachers and Teacher Guardians.

Activities during the event:

To make parents feel a 'sense of ownership' and address them equally as partners in the betterment of their child's learning outcomes, Dr. D. Y. Patil College of Engineering & Innovation conducts regular Parent Teacher Meetings every semester to discuss about the student's performance and progress.

During 10.35am to 10.45 am, Welcome to all parent and guest of the event by coordinator Prof.Venkatesh Dange also sir introduced parents about the importance of parent teacher meeting.

During 10:45 am to 11:10 am, Prof Dipannita Mondal Madam, Head of First Year Engineering introduced parents with the Vision and Mission of the institute and the departments along with discussion on SPPU result of Semester-I, declared the name of topper and subject topper with marks scored respectively. She also highlighted the

student those who failed in more than 2 subject motivates them to do study regularly make practices of writing. she also explains importance of credits system required to entered in second year.

During 11:30 am to 12:30 pm, Address by Dr.Suresh Mali, Principal of Dr.D.Y.Patil college of engineering and Innovation, introduced parents with the Vision and Mission of the institute, sir has discuss with parent and student causes of failure as this batch attended their 11 and 12th in on line mode due to corona, hence they do not have practices of writing skills as well as students spending their valuable time in mobile by watching unwanted shorts spending time on Facebook, chit chat, what up etc. Sir has given suggestion to student to utilize their mobile for searching now topic of new technology, related to study material and also sir given the important of NAAC to students and parent.

During 12.30 pm to 12.35 pm, Vote of thank delivered by Prof.Sheetal S. Hotkar

Parents interacted one to one with the faculties. The professors provided specific guidelines and suggestions for each student during the meeting with the parents. The guidelines were primarily focused on students' performance in classroom and exams. The parents were informed about the students' performance during the Unit Test and SPPU Sem-I result. Discussion was focused on student's specific strengths and weaknesses in individual subjects and student discipline in classrooms. Apart from the usual discussion on ward's progress, attendance, improvisation and challenges, Counsellors interacted with parents to make them award of the ward's current learning process. Parents' suggestions on the interests and learning of their awards were noted.

Outcomes of the event:

Total 60 parents participated in the 2nd PTM of June 2022-23. Parents became aware of the institute's rules and regulations, methodologies of teaching & learning for the overall welfare of students. Parents were encouraged to appreciate student's participation in all academic activities. Parents appreciated the efforts and the individual attention given to every child.

Feedback from Parents:

Thank you so much for organizing a parent's teacher meeting. Through this Parent teacher meeting we came to know about our child's progress and also know about the

weak area in which the child needs to improve. Through the attendance report, we also came to know about the regularity of our ward in lectures.

-Mr.Shivaji Chavan

Dr. D. Y. Patil College of Engineering & Innovation is the best place to let our children learn and grow. Student enjoyed learn new things each and every day. She participated in a variety of activities and annual social event. The way faculty member has helped our daughter in developing her individuality, while at the same time emphasizing on self-discipline and respect towards others, has truly been a best experience.

-Mr. Raghunath Devikar

The PTM held was a needed program as it provided me insight into how my son is doing. Overall talking to the teachers was a satisfactory experience. Teachers provided all necessary information in a very detailed and understanding manner.

- Mr.Popat Khilare

Feedback from Faculties:

Parents Teacher Meeting is an essential aspect in the modern day teaching methodology. Parents are important stakeholders of education policy. PTM held by Dr. D. Y. Patil College of Engineering & Innovation will enhance the quality of overall growth of students and will develop a strong and healthy bond between teachers and their students furthermore it increases the faith of parents in the Institute.

-Prof. Ahilya Narsale,

Assistant Professor, Dept of FE

PTM of semester 1 was very unique. Appreciated all the parents for their active participation and support in this meeting.
