Guru Purnima Program Report:

Guru Purnima Program for First Year Engineering students (A.Y. 2022-23)

Day & Date: 3rd July 2023

Time: 11.30PM to 12:30PM

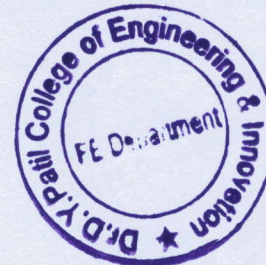

Mode of Conduction: Offline

Students Attended: 101 Students

Type of Activity: Cultural Program

Objectives:

- **Express Gratitude:** The primary objective of Guru Purnima is to express heartfelt gratitude to gurus and mentors for their invaluable guidance and teachings. Disciples acknowledge the role of their gurus in their life and pay respect for their selfless contributions.
- **Celebrate the Teacher-Disciple Relationship:** Guru Purnima provides an opportunity to celebrate the sacred bond between the teacher and the disciple. It serves as a reminder of the important role that gurus play in imparting knowledge and wisdom to their students.
- **Seek Blessings and Knowledge:** We and our students consider Guru Purnima as an auspicious occasion to seek blessings from their gurus. They express their desire to continue learning and growing under their guidance and seek their blessings for success and enlightenment.
- **Spiritual Significance:** The festival holds spiritual significance as it is believed that Lord Buddha gave his first sermon on this day at Sarnath, India. Additionally, it marks the birth anniversary of the sage Vyasa, who is regarded as one of the greatest gurus in Hindu mythology.

Summary of the Activity/Event:

On the occasion of Guru Purnima, the Department of First Year Engineering joyously celebrated Guru Purnima on July 3, 2023, starting at 9:30 am. The event commenced with Prof. Renukadevi, a faculty member of the first year, warmly welcoming our esteemed Principal, Dr. Suresh Mali, HOD, Prof. Dipannita Mondal and all the students.

The ceremony began with a Saraswati Puja conducted by the Principal sir and HOD. Prof. Renukadevi beautifully articulated the importance of gurus in shaping our paths and guiding us towards success.

In a heart-warming gesture, all the first-year faculties expressed their deep gratitude and admiration for the Principal, presenting him with bouquets of flowers as a token of respect. Following this, three of our first-year students, Guari, Rishikesh, and Shreya Kumari took the opportunity to express their heartfelt gratitude to the faculties for their guidance and support.

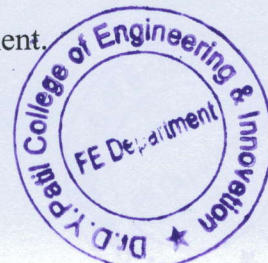

During the celebration, the Principal shared invaluable wisdom, emphasizing the importance of moral values and discipline in both our personal and professional lives. He emphasized the profound impact of gurus and mentors in our journey of learning and growth.

At the end Prof. Sherin, in a sincere gesture, extended her gratitude to the Principal for his enlightening words and profound knowledge.

This Guru Purnima celebration was thoughtfully organized under the guidance of the Prof. Dipannita Mondal, Head of the Department of First Year Engineering, and witnessed the enthusiastic presence of all first-year faculty members, making it a truly memorable event.

Outcomes
