A Report
on
Induction Program
21st August 2023 to 26th August 2023

Day 1 (21/08/2023)

This year's induction program for the First-Year Engineering students was organized by Dr. D. Y. Patil College of Engineering and Innovation, Varale from 21st August 2023 to 26th August 2023. The students along with their parents reported to the college on 21st August 2023. All the students were on boarded comfortably. The Department had arranged all the required facilities for the students staying near and far. Hostel arrangements were provided to the students the same day, and all were set for their college life which indeed did begin on a high note.

The induction program was inaugurated by Adv. Anuja Patil Madam, Secretary Dr. D. Y. Patil Educational Federation, Dr. Alpana Adsul Ma'am, Head Department of Computer Engineering, Dr. Lattika Desai Ma'am, Head Department of Artificial Intelligence and Data Science, Prof. Ravindra Daspute Sir, CEO, Dean Academics and Head Department of Mechanical Engineering, Prof. Yogesh Nagvekar Sir, Dean Research and Head Department of Civil Engineering, Prof. Dipannita Mondal Ma'am, Head Department of First Year Engineering, Dr. Deepali Sale, Dean student welfare and Mr. Dattaray Ranvade Sir, Register which paved the way off to a grand start to the induction program. As light symbolizes knowledge and darkness – ignorance, our leaders thus started the induction event with the lighting of the lamp which embarked a new start to the beautiful college life of our dear students. The lighting of the lamp was followed by the Welcome Address by Prof. Prof. Dipannita Mondal, Head Department of First Year Engineering. After that, a presentation was conducted by Dr. Alpana Adsul, Head Department of Computer Engineering due to which students were able to clearly understand the scope and bright future which Dr. D. Y. Patil College of Engineering and Innovation crafts for them. This was followed by a presentation by Dr. Lattika Desai Head Department of Artificial Intelligence and Data Science which helped the students understand the importance of the branch they have selected. Post that the University Curriculum and Examination Pattern were explained by Prof. Ravindra Daspute, CEO, Dean Academics and Head Department of Mechanical Engineering which as followed by the presentation by Prof, Yogesh Nagvekar, Dean student welfare and Head Department of Civil Engineering which was a great platform for the students about the students welfare activities conducted in DYP COEI. Ms. Neha Jadhav, student of SE shared her experience with the juniors. After the lunch break, student reporting was done. It was then time to call it off for the day.

Day 3 (23/08/2023)

To start day 3 of the Induction program began with brief introduction of Mr. Akhilesh Darbhe, Director, L2IT Infotech Ltd. The session begins with an introduction to the concept of spirituality, which can encompass various beliefs, practices, and perspectives. This may include discussions on different spiritual traditions, mindfulness, meditation, or the search for meaning and purpose.

The expert discusses how to balance their material and spiritual needs. This can involve discussions on work-life balance, financial responsibility, and the pursuit of personal and spiritual growth.

After this, a session was conducted on Inner Potential Outer Dynamism (IPOD) by Mr. Sachin Panase. The speaker in his session explained in brief the importance of Inner Potential Outer Dynamism, the benefits of IPOD that is improve strength and flexibility, and tricks to improve mental and physical strength.

To end the day fun events were organised for the students.
