PAPER PUBLICATIONS

Prof. (Dr.) Alpana Adsul, Head Computer Engineering and Mr. Vishal Kisan Borate, Assistant Professor published papers on “A Comprehensive Review of Phishing Attack Detection Using Machine Learning Techniques” and “Analysis of Lung Disease Prediction using Machine Learning Algorithms” in IJAR SCT, Volume 4, Issue 3, October 2024.

Mr. Sunil Kumar Yadav, Assistant Professor published papers on “Enhancing Network Lifetime in Wireless Sensor Networks using Hybrid Approach” presented at the International Conference on Data-Processing and Networking (ICDPN2024) on 25th – 26th October 2024 organized by the Institute of Technology and Business (VŠTE) in České Budějovice, Czech Republic, Europe.

Ms. Snehal Mangale, Assistant Professor published papers on “Detection and Tracing of Wild Animals using Machine Learning” and “Leveraging Artificial Intelligence and Machine Learning for Detecting Fake Accounts on Social Media” in IJAR SCT, Volume 4, Issue 3, October 2024.

Ms. Deepali Narwade published papers on “**Leveraging Artificial Intelligence with Power BI for Enhanced Business Intelligence**” in International Journal of Innovative Research in Computer and Communication Engineering, Volume 12, Issue 10, October 2024.

IEEE ICBDS 2024 - REVIEWER

Mr. Vishal Kisan Borate serving as **Reviewer** in the 3rd IEEE International Conference on Blockchain and Distributed Systems Security 2024, held on 17th – 19th October 2024. Jointly Organized by BRACIT's Vishwakarma Institute of Information Technology, Pune, IEEE Computer Society Pune Chapter and IEEE Pune Section, Maharashtra, India.

FACULTY DEVELOPMENT PROGRAM

Mr. Arivanantham Thangavelu, Assistant Professor, Department of Computer Engineering successfully participated one-week faculty development program on “**Latest Trends and Techniques in Digital Twin**” organized by MMCOE, Pune from 7th – 12th October 2024.

Mr. Vishal Kisan Borate, Assistant Professor, Department of Computer Engineering successfully completed one-week faculty development program on “**Generative AI**” organized by PCCOER, Ravet, Pune from 7th – 12th October 2024.

Mr. Suraj Bhoite, Assistant Professor, Department of AI-DS successfully completed one-week faculty development program on “**Generative AI**” organized by Pimpri Chinchwad College of Engineering and Research, Ravet, Pune from 7th – 12th October 2024.

Mr. Swapnil More, Assistant Professor, Department of AI-DS participated in 10 Hours International Faculty Development Program on “**Machine Learning and Artificial Intelligence**” organized by Pimpri Chinchwad College of Engineering and Research, Ravet, Pune – Maharashtra, Sri Venkateswara Degree College, Kadapa - Andhra Pradesh, SJB Institute of Technology, Bangalore – Karnataka and Sri Indu PG College, Hyderabad – Telangana in Collaboration with ExcelR Edtech Pvt. Ltd. from 12th – 19th August 2024.

Mr. Swapnil More, Assistant Professor, Department of AI-DS participated in 5 Days International Faculty Development Program on “**Gen-AI and Prompt Engineering Using Microsoft Co-Pilot**” organized by BNM Institute of Technology Bangalore (BNMIT) – Karnataka, D.Y. Patil Agriculture and Technical University Talsande – Maharashtra, and Marwadi University Rajkot - Gujarat in Collaboration with ExcelR Edtech Pvt. Ltd from 16th – 20th September 2024.

Deep Dive into AWS

CLOUD COMPUTING

Department of Computer Engineering and AI-DS organized session on “Deep Dive into AWS” by Dr. P. B. Deshmukh on 1st October 2024.

Prof. (Dr.) Alpana Adsul, Head Computer Engineering Felicitating Dr. P. B Deshmukh on 1st October 2024.

Dr. P. B. Deshmukh given brief introduction to the event and the purpose of starting the AWS community in college and gave the overview of the day's agenda.

The program was Inauguration of Cloud Visioners. Event captain's Mr. Manoday Ahire, Mr. Amey Patil and Mr. Dinesh Tembgire. It was stated first time in DYPCOEI by the guidance of Mr. Vishal Alhat and under AWS User Group Pune.

Mr. Manoday Ahire clarified AWS and Cloud Computing. He also explained the basics of AWS, its significance in modern technology, cloud computing fundamentals and include examples of how AWS powers everyday services (like Netflix,

Airbnb, etc.). He also introduced about two foundational AWS services i.e. Amazon EC2 (Elastic Compute Cloud) and Amazon S3 (Simple Storage Service).

Mr. Manoday Ahire and Mr. Amey Patil explaining Applications of AWS on 1st October 2024.

Mr. Manoday Ahire and Mr. Amey Patil took the Hands-On Workshop on Deploying a Simple Applications of AWS. They guided the attendees through creating and launching an EC2 instance and show how to configure security settings, connect via SSH, and host a simple static web page.

Prize distributed to Quiz winner students.

Course Enrichment

BUSINESS COMMUNICATION SKILLS

Department of AI-DS organized session on “Business Communications Skills” by Mr. Ramrao Ghuge, Assistant Professor, Navsahyadri College of Engineering, Pune for SE students on 3rd October 2024.

Welcome of the expert Mr. Ramrao Ghuge, Assistant Professor, Navsahyadri College of Engineering, Pune by Prof. (Dr.) Dipannita Mondal, Head AI-DS on 3rd October 2024.

Mr. Ramrao Ghuge discussed importance of the content of business communication skills. He explained the ability of effective communication through individual and group activities. 61 students participated from SE AI-DS.

Mr. Ramrao Ghuge, Assistant Professor, NCOE, Pune interacted with SE AI-DS students.

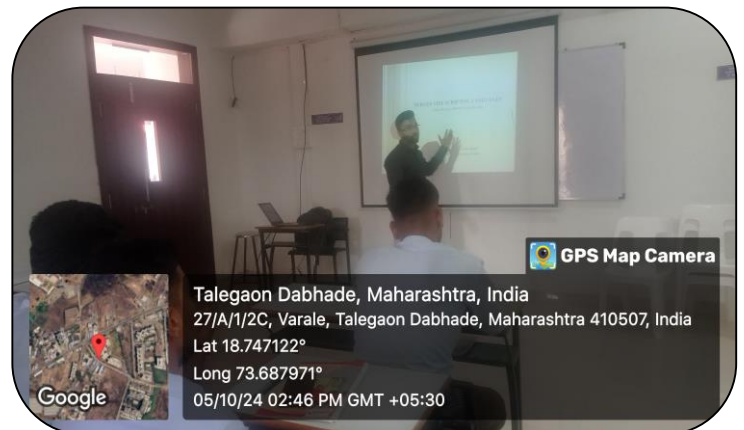

WEB SERVICES & SERVER-SIDE SCRIPTING LANGUAGES IN JAVA

Department of AI-DS organized session on “Web Services & Server-Side Scripting Languages in Java” by Mr. Kalpesh Chaudhari, Software Engineering Cognizant, Pune for TE students on 5th October 2024.

Welcome of the expert Mr. Kalpesh Chaudhari, Software Engineering, Cognizant, Pune by Prof. (Dr.) Dipannita Mondal, Head AI-DS on 5th October 2024.

Mr. Kalpesh Chaudhari deliberated importance of Web services and Frameworks. He clarified the use of server side technologies in web development and Server side scripting languages PHP,

Session delivered by Mr. Kalpesh Chaudhari, Software Engineering, Cognizant, Pune.

DATABASE MANAGEMENT

Department of AI-DS organized session on “Practical understanding of Database Management - Transactions, Queries and their real world uses” by Mr. Tejas Joshi, Software Developer Engineer -II, Conwertcart, Pune for TE students on 5th October 2024.

Welcome of the expert Mr. Tejas Joshi, Software Developer Engineer -II, Conwertcart, Pune by Prof. (Dr.) Dipannita Mondal, Head AI-DS on 5th October 2024.

Mr. Tejas Joshi thought applications of Transaction Management concepts in real-time situations and use of NoSQL databases for processing unstructured data, how to start Docker database server and different types of databases.

Session delivered by Mr. Tejas Joshi, Software Developer Engineer -II, Conwertcart, Pune.

INDUSTRIAL REVOLUTIONS IN IOT & INDUSTRY 5.0

Department of AI-DS organized session on “Industrial Revolutions in IoT & Introduction to Industry 5.0” by Mr. Dinesh Bhadane, Assistant Professor, JSPM, Wagholi, Pune for BE students on 5th October 2024.

Welcome of the expert Mr. Dinesh Bhadane, Assistant Professor, JSPM, Wagholi, Pune by Prof. (Dr.) Dipannita Mondal, Head AI-DS on 5th October 2024.

Mr. Dinesh Bhadane explained overview of Industrial Revolution in IoT, Privacy and Security requirements in Industrial Internet of Things (IIoT), Security Components in IIoT and Application & Use cases in IIoT for BE students.

Session freed by Mr. Dinesh Bhadane, Assistant Professor, JSPM, Wagholi, Pune on 5th October 2024.

DIGITAL MARKETING & DATA MINING

Department of AI-DS organized session on “**Digital Marketing & Data Mining**” by **Mr. Bharat Osawal, CEO at BOOTREE, Pune** for AI-DS students on 21st October 2024.

Felicitating expert Mr. Bharat Osawal, CEO, BOOTREE, Pune by Prof. (Dr.) Dipannita Mondal, Head AI-DS on 21st October 2024.

Mr. Bharat Osawal has introduced the basic concept actual understanding of digital Marketing & Data Mining.

He delivered how to work on thinking of business, Change the mind, and Analyzing of various buying pattern.

Session freed by Mr. Bharat Osawal, CEO, BOOTREE, Pune on 21st October 2024.

ARTIFICIAL INTELLIGENCE

Department of AI-DS organized expert session on “**Artificial Intelligence**” by **Ms. Pranjali S. Bahalkar, Assistant Professor, Department of AI-DS, Dr. D Y Patil Institute of Technology, Pimpri, Pune** for AI-DS students on 21st October 2024.

Felicitating expert Ms. Pranjali S. Bahalkar, Assistant Professor, DIT, Pimpri, Pune by Prof. (Dr.) Dipannita Mondal, Head AI-DS.

Ms. Pranjali S. Bahalkar discussed various AI concepts of Game Theory, Heuristic Alpha-Beta Tree search, Monte Carlo Tree search, Stochastic Games and Partially Observable Games. Session was Interactive and students have enjoyed.

Session delivered by Ms. Pranjali S. Bahalkar, Assistant Professor, DIT, Pimpri, Pune.

LaTeX Workshop

REPORT FORMATING

Department of Computer Engineering organized Hands-on workshop on “LaTeX” by **Mr. Aditya Satish Thorat, Mr. Mayur Sanjay Tidke and Mr. Sumit Manoj Singh Thakur, BE Computer Engineering students** on 7th October 2024.

The objective of the Hands-on workshop was to make student aware about LaTeX, document preparation software. Students have to write their Project Synopsis and Black Book using LaTeX software. Through this workshop they will get insights about the software.

Mr. Chandan Wagh, Assistant Professor along with Mr. Aditya Satish Thorat, Mr. Mayur Sanjay Tidke and Mr. Sumit Manoj Singh Thakur BE Computer Engineering students organized Hands-on workshop for TE students on 7th October 2024.

A preliminary workshop on LaTeX was arranged for the students of TE Computer Engineering. The workshop was scheduled at 10:00am in the lab A112, A113 & A203. The workshop was attended by 135 students & faculties from the computer engineering department.

Prof. (Dr.) Suresh Mali, Principal DYPCOEI felicitating Mr. Aditya Satish Thorat, BE Computer Student for LaTeX workshop.

Prof. (Dr.) Suresh Mali, Principal DYPCOEI felicitating Mr. Sumit Manoj Singh Thakur, BE Computer Student for LaTeX workshop.

Prof. (Dr.) Suresh Mali, Principal DYPCOEI felicitating Mr. Mayur Sanjay Tidke, BE Computer Student for LaTeX workshop.

LaTeX workshop was very interactive, and students enthusiastically participated.

Project Mock Exam

PROJECT AUDIT – DEPARTMENT OF AI-DS

The Department of Artificial Intelligence and Data Science at DYPCOE&I, Varale, Talegaon, Pune, organized a B.E. Project Mock Examination and Project Audit on 19th October 2024. **Mr. Avdhut Salunke, Associate Application Developer at Fujitsu Consulting India Pvt. Ltd, Pune, Mr. Raghavendra Borse, Python Full Stack Developer Better Technology Labs, Pune and Ms. Manisha Nalawade, Technology Lead at Infosys, Pune** experts are invited for evolution. Event started with felicitating experts by Prof. (Dr.) Dipannita Mondal, Head AI-DS.

Chief guest felicitated by Prof. (Dr.) Dipannita Mondal, Head AI-DS.

The B.E. Project Mock Examination and Audit assessed 17 groups, providing valuable feedback to enhance project quality and student readiness.

Glimpses of Project Mock Examination:

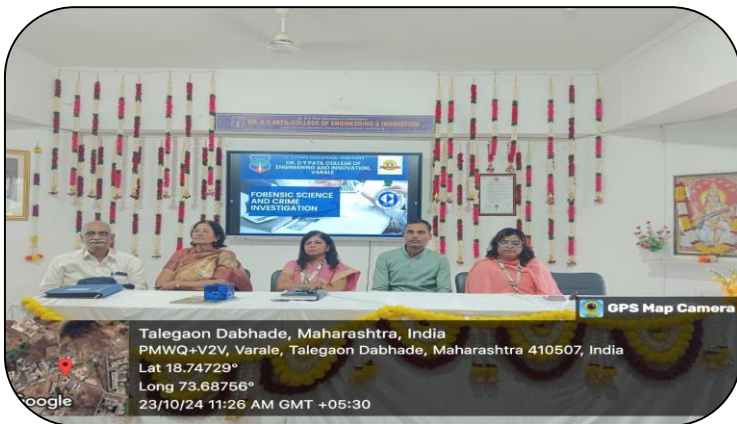

Students confidently presented their project to the reviewers, showcasing their hard work, creativity, and teamwork in addressing real-world challenges.

Expert Session

FORENSIC SCIENCE & CRIME INVITE

Department of Computer Engineering organized session on “**Forensic Science & Crime Invite**” by **Ms. Sharada Avadhanam, Coordinator, National Forensic Science University, Pune** on 23rd October 2024.

Session inaugurated by Prof. (Dr.) Alpna Adsul, Head Computer Engineering along with Ms. Sharada Avadhanam, Coordinator, National Forensic Science University, Pune.

National Forensic Science Academy - Pune, Maharashtra (NFSU Academy – Pune) is another off-campus of National Forensic Sciences University (NFSU), which has been established in collaboration with Directorate of Forensic Science Services (DFSS, New Delhi) and Central Forensic Science Laboratory - Pune (CFSL- Pune) in the Month of June 2022.

The NFSU Academy, Pune envisions a holistic development through research, training & quality education. It is an eminent institute dedicated

towards imparting and building scientific aptitude in highly specialized domains.

Ms. Sharada Avadhanam started basic information about Forensic investigation of scientific methods and techniques to analyze physical evidence for criminal and civil legal proceedings.

Ms. Sharada Avadhanam, Coordinator, NFSU, Pune clarified the importance and basics of Forensic Science and Crime Investigation.

She clarified physical evidence, integral to forensic investigations and foundation for establishing facts, reconstructing events and identifying persons involved. The application of the methods of the natural and physical sciences to matters of criminal and civil law. Forensic science can be involved not only in investigation and prosecution of crimes such as rape, murder, and drug trafficking but also in matters in which a crime has not been committed but in which someone is charged with a civil wrong (see tort), such as willful pollution of air or water or causing industrial injuries. Students aware about the importance of Forensic Science and they got basic knowledge.

Shwetha Salgaonkar (FE)

Sakshi Bhanushali (FE)

Karandak 2024 aim is to promote and celebrate Indian culture through various forms of performing arts, to enhance participation in Co-curricular

activities and to learn and understand about inter-college activities.

Glimpses of KARANDAK 2024 – MIT, Alandi:

Solo Dance: Ms. Devika Naik, First Runner-Up got Cash prize Rs. 5000/- with certificate.

Parent Teacher Meeting 2024

CONVENTION BY DEPT. OF COMPUTER ENGINEERING

Department of Computer Engineering of Dr. D. Y. Patil College of Engineering & Innovation, organized Parent Teacher Meeting on 5th October 2024. Founding a platform for educators and parents to discuss student performance and generate recommendations for improving their educational chances was the key goal of the parent-teacher meeting.

Parent – Teacher Meeting started with registration on 5th October 2024.

Total 50 Parents were present for the meet. The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students.

Parents were well-informed about the meeting by the class instructors and teacher guardians via their respective channels.

Ms. Anita Shinkar, Assistant Professor coordinated Parent Teacher Meeting 2024.

Ms. Anita Shinkar, coordinator started with warm greetings.

Prof. (Dr.) Alpana Adsul, Head Computer Engineering welcomed all parents and introduced them about various activities and Trainings going on in the Campus, during current semester i.e. SEM-I, of academic year-2024-25.

Prof. (Dr.) Alpana Adsul, Head Computer Engineering presented department activities and achievements.

Prof. (Dr.) Suresh Mali Principal DYPCOEI welcomed all parents and addressed the important points to parents.

He discussed information about the department including faculty & Infrastructure details and department accomplishments like NBA, NAAC, Autonomous Status.

Prof. (Dr.) Suresh Mali, Principal DYPCOEI deliberated college and department progress.

Department all Class Topper students are felicitated by Dignitaries on the dais.

Department all Subject Topper students are felicitated by Dignitaries on the dais.

BE Topper Ms. Trushna Kapadnis:

College which speaks volumes about the quality of education that is imparted and overall grooming of students done by our experienced faculties. Also thanks to parents for continuous support.

TE Topper Gauri Awate:

Expressed out how supportive the teachers are during academic sessions.

SE Topper Hareram Wadekar:

Stated that guest lectures, seminars and workshops were regularly held for clearing our concepts. Also thanks to all SE faculties for guidance.

Parent – Teacher Meeting on 5th October 2024.

Parents Suggestion:

Student must focus on innovation and use of AI in Research. Also thanks to institute for continuous communication related to ward progress.

Mr. Pravin Nanaware

All parents to join Parents WhatsApp group and career opportunities in cyber security & its importance in digital era.

Mr. Padmakar Dherange

Parent – Teacher meeting end with vote of thanks by Ms. Anamika Wasnik, Assistant Professor.
